

"We are going to show you that you are women, you are not men like us..." Words spoken to a male SGBV survivor

"The fact that men were sexually assaulted has come out - but the government has not come out to acknowledge it or to say sorry about it..." Activist

"I was dragged and raped behind the kitchen and my wife was also raped yet her pregnancy was due... One month later she had a still-birth.... I was operated and I met all the medical expenses..." SGBV Survivor
